

Coffee & Conversation

Coffee & Conversation is an event that is held in a member's home in designated months throughout the year to assist in fostering the mission of providing opportunities for strangers to become friends and to welcome new members in a more intimate setting. It is also an opportunity to learn about a local charity and to donate, if you choose.

Attendees bring a snack or their favorite breakfast/brunch dish to share. Beverages are provided by Georgetown Newcomers & Friends or the Hostess. Bringing a snack/dish is not required. There is ALWAYS more food than can be eaten.

Check the calendar for specific dates.
